"We celebrate the death of death, the destruction of hell, the beginning of eternal life. And leaping for Joy we celebrate the cause, the only blessed and most glorious God of our Fathers"
- Ode 7 of Paschal Canon

"In your every sorrow, in your every failure, concentrate for a moment within yourself and say this hymn slowly. You will see that the greatest thing in your life-and in the life of the whole world- happened. The Resurrection of Christ, our salvation. And you will realize that everything that is upside down which is occurring will seem to you very small to spoil your mood."
